Hello Matthew,

Confirmation of policy cancellation

Policy Number : P71875152

I am sorry you have decided not to renew with us this year. Proof of your No-Claims Bonus is at the bottom of this email, but has also been posted to you. You should receive this in 3-5 working days.

I am writing to confirm a request was made to cancel the above policy.

Providing no objection is made by any other policyholder, your policy will cancel with effect from 20/06/2024. All cover will cease from this date for the following:

DACIA DUSTER RF23PZX

Sayefield Barn, Rushden Road Sandon, SG9 0QS

If you receive any documents regarding renewal, please ignore them.

The following applies to any vehicle on your policy:

IMPORTANT: We must tell you that it is an offence under the Road Traffic Act to leave, use or allow your vehicle to be used on the Public Highway without first arranging for its insurance. If you do so you will be in contravention of the requirements of the Road Traffic Act and you will be subject to prosecution under this legislation.

You should also be aware that, if there is no record on the Motor Insurance Database showing your vehicle is insured, and you have not declared it 'off road', you will receive a letter warning you that you could face a fine, prosecution, and the vehicle could be clamped, seized and ultimately, destroyed.

The following applies to all properties on your policy:

Unless you have made any other arrangements to insure your property, you will no longer have any valid insurance cover in force. This would mean your property will no longer be covered for any loss or damage and you would need to arrange alternative cover to avoid your property remaining uninsured.

Your No Claims Bonus is detailed below. Alternatively, if you are registered to our secure website, please note that your proof of No Claims Bonus is still available to view and print should you require this information for your next Insurer. A copy has been sent to you in the post and should reach you in 3-5 working days.
